Press Note

ECI provides digital push for continuous capacity building of functionaries at all levels

Animated videos, audio books and e-books to assist in self-paced learning for each stakeholder

Integrated IT dashboard to streamline flow of information and services

The two-day conference of CEOs of all States/UTs at IIIDEM concluded in New Delhi today. The outcome of the conference will take the shape of key deliverables namely animated video, audio book, e-book and an integrated dashboard for each of the identified 28 stakeholders as per existing statutory framework and ECI instructions issued from time to time. Adopting a modern approach to capacity building, a capsule of animated videos will be produced for each stakeholder, comprehensively covering all aspects of elections related to them. These animated videos will be a handy way for each stakeholder for self-paced continuous learning.

In line with CEC Shri Gyanesh Kumar's vision & conviction to deploy technology to bring in system efficiencies in elections, it was decided that a unified IT architecture with a customised dashboard would be devised to facilitate different stakeholders. The single window platform would streamline input and output flow of information with role-based access. This will smoothen communication between the functionaries with in-built cross verification to minimise any human error.

On the second day of the conference, CEC Shri Gyanesh Kumar along with ECs Dr Sukhbir Singh Sandhu & Dr Vivek Joshi reviewed the actionable points presented by each CEO for timely delivery of key deliverables. Each CEO has been assigned a distinct stakeholder.

The sessions also signalled a renewed energy to be channeled into strengthening communication at CEO & DEO level for quick response to misinformation and local issues within their domain. CEOs also discussed the need to enhance reach on social media for continuous engagement with voters, in the fast evolving media landscape.

In his concluding remarks CEC Shri Gyanesh Kumar reiterated that all officials should work as per the existing constitutional & legal framework including the RP Act 1950 & 1951; Registration of Elector Rules 1960, Conduct of Election Rules 1961 and the instructions issued by ECI from time to time.

A handwritten signature in blue ink, reading "Anuj Chandak". The signature is fluid and cursive, with a horizontal line extending from the end of the name.
